Subject QUARTERLY REPORT TO THE BOARD OF DIRECTORS

The Board of Directors will not hold a meeting in December. Therefore, it will be necessary for me to submit the report for the Building & Industrial Products Division for the last quarter at the November meeting which will be held on Monday, November 29th.

Will you please have in my hands no later than Friday, November 12th, your report for the last quarter along the same lines as previously submitted.

You will have to project your Division's operation to the end of the year.

FRED STURGEY
