February 28, 1933

Dr. E. A. Winslow,
The School of Medicine,
Yale University,
New Haven, Conn.

Dear Doctor:

I wish to acknowledge your letter of February 9th and apologize for not answering it sooner.

The draft you enclosed of the proposed article for the National Safety News has been carefully reviewed by me and I think you have covered the subject very well indeed in spite of the difficulty of having to please all interested parties.

Sincerely yours,

J. F. Ouellet
