PUT IT IN WRITING

Date 8 June 1976

To H. L. Watson/Valley Forge Subject LOCAL UNION SUPPORT FOR OUR  
REQUEST FOR TEMPORARY VARIANCE  
From J. D. Kramer/Calvert City WITH OSHA

The attached letter withdrawing their support for the above came into our hands. In our union meeting this date, I asked Mr. Phillips and the Committee why it was written. The answer was a little vague, but the indication was that they thought their letter of support would bring them some favors or returns in the way of grievance settlements, etc. that were not forthcoming. My own strong suspicion is that they yielded to pressures applied by the OCAW International.
