Subject: RE: FFF temporarily ban on burning PFAS - WP0

Thanks [REDACTED]

We're discussing this emerging issue with the team and may do some additional (consultancy) work to strengthen the end of life options analysis in the Annex XV, taking this development into account.

Irrespective of these concerns a phase-out is still the best long term solution. If you're OK, I'll ask [REDACTED] to keep you in the loop as clearly implications for UPFAS here as well.

Check the email address of the sender. It is possible that the name of the sender is known to you (e.g. a colleague), but the actual sender is someone else.

Hi [REDACTED]

Hereby a link where they also refer to a recent report (attached as PDF) in which the DOD identified six potential options for phasing out the use of PFAS-containing Aqueous Film Forming Foam (AFFF)
