Thanks for letting us know, Patrick. I think you're right in not responding. The press knows that they should direct any inquiries to our Office of Public Affairs and they decide whether to comment. That just streamlines the process and messaging.

Let me know if you need anything else before the 5<sup>th</sup>. Enjoy the holiday weekend.

FYI. I don't intend to respond unless you have a different preference. In any case, I would only confirm the appointment and not discuss the work.
