Dear Sir:

With reference to Dr. Kehoe's letter of February 24, we are shipping you today via Railway Express 100 ml. of tetraethyllead.

In accordance with our safety regulations, I am enclosing herewith a copy of "Precautions for Handling Organic Lead Compounds in Laboratories" issued by our Medical Department, and a statement concerning the use and handling of tetraethyllead. The latter should be signed by the individual who expects to work with the material and returned to us immediately.

Yours very truly,

Harold Soroos
Chemical Research Department
