Ken,  
I appreciate you taking the time to come out to Wyoming and meet with our DEQ folks and coming over to meet our CoS and me.

As the first token, you dropped a receipt while here - I scanned it and attached to this email. I know you're on the road a lot - I don't want you to get nickled and dimed out.

I look forward to working with you.

Colin

Thanks for taking time out of your busy schedule to visit with me and Director Parfitt during my visit to Wyoming. The Administrator admires and holds Governor Mead in very high regard. As we usher in this new era to cooperative federalism, I am hopeful that we can keep in contact and achieve much better outcomes for those we serve.

Please let me know if I can ever be of assistance, and I hope the leg heals soon!

Ken
