And so I went home and I asked him what is wrong, and he said, I have to go to the doctors. And that is when --

Q So you came home and you retired to take care of him when he was sick?

A Yes.

Q Before he got sick with the asbestos cancer, how was his health?

A Fine, as far as I knew.

Q During the time he was sick from January of 1990 to May of 1990 when he was in and out of the hospital and going to doctors, who would go with him?

A I went with him. I drove a couple of times and then I decided I would rather sit with him and asked my friends if they would take me and him to the hospital.

Q Was that for each and every time that he went to the hospital or to see the doctor?

A Every time he went to the hospital, I went to the hospital. I was there every time. I wanted to know what was happening and why couldn't they make him
