To VCM Plant Employees
From J. A. DeBernardi
Date May 26, 1982
Subject Turnaround Schedule

Continued depressed market conditions for VCM will make it possible to adjust our turnaround schedule such that the Memorial Day holiday weekend will not have to be worked. Therefore, turnaround work activity will end at the completion of the night shift on May 28, 1982 and will be resumed at the beginning of day shift on June 1, 1982. The work schedule for the remainder of the turnaround will be the same as was being worked prior to the holiday weekend.

Applicable premium pay will be paid those non-exempt salaried employees required to work on the holiday.
