Dr. R. A. Kehoe  
Kettering Laboratory of Applied Physiology  
College of Medicine  
Eden and Bethesda Avenues  
Cincinnati 19, Ohio

Dear Dr. Kehoe:

We are sending you under separate cover specimens of blood and urine from [REDACTED] #440, a urine specimen from Miss [REDACTED] #1115 and recheck urine specimens from [REDACTED]

01 "E" Building

ator who works on the fourth floor  
ains of frequent headaches and dysuria.

March 6, 1945 had a spill of reflux  
washed out at the time. She is at  
present sleeping all right, but has a slightly upset stomach,  
is nervous and dreams occasionally. A urine specimen was ob-  
tained from this individual in a special pint mason jar and  
transferred to the usual container.

does not have feels dizzy, dreams, doesn't sleep very well, much energy, but has a good appetite.

feels dizzy, has an upset stomach and sub-sternal oppression. He is eating and sleeping fairly well, but is somewhat weak most of the time.

Very truly yours,

H. H. FISHER, PLANT MANAGER
