Dear Larry:

As we discussed, enclosed is a copy of the muriatic acid label we will be using for bulk shipments. Also, I have enclosed a page from ANSI Z129.1-1982 Precautionary Labeling for Hazardous Industrial Chemicals. This is the source document for our label content. Muriatic acid is a skin and eye corrosive. We do place first aid instructions on our drum labels and a warning concerning the hazards of empty drums.

Please call me at 713-531-3445 if you have further questions.

Sincerely,

Thomas G. Grumbles, CIH
Environmental Quality Manager
