with the Asbestos Study Committee?
A. I believe so.
Q. Who has access to all of the records or any of the records that we have been discussing this morning, other than yourself, Mr. Drislane?
A. No one.
Q. You are the only person?
A. Yes.
MR. GORMAN: Outside of a session such as this?
MS. BERNER: Well, of course.
Off the record for a minute.
(Discussion held off the record.)
MS. BERNER: Let's go back and mark this folders, folders A so that all categories of documents have a folder.
We have previously marked FMSI Exhibit 1 through 15.
Exhibit 1 will stay the same. That is a pamphlet about the history of FMSI.
Exhibits 2 through 15, however, will now have a subcategory.
This will be A-2 through 16.
That is because we are marking the
