Dear Bob:

Apparently both parties overlooked the fact that the Consultant Agreement with you dated December 1, 1958 expired on December 31, 1961.

We, of course, wish to continue this Agreement during 1962, and this letter will confirm our oral agreement to that effect. Will you kindly sign the enclosed copy of this letter at the place indicated and this letter shall then constitute confirmation of the extension of the Consultant Agreement until December 31, 1962.

Sincerely yours,

W. R. Perdue, Jr.
Vice President

ACCEPTED:
