Dear Mr 5.1.2e

I hope this email finds you well.

I am contacting you on behalf of the **Alliance for Telomer Chemistry Stewardship (ATCS)**, the industry alliance of the largest producers of C6 fluorotelomer-based chemistry, following the stakeholder survey on PFAS in mixtures/articles in the electronics and energy industry conducted by royal haskoningdhv. Due to ATCS' nature, some additional time was needed to compile all the necessary information for the survey, making it impossible for us to meet the required deadline.

After consulting with royal haskoningdhv, they encouraged us to send the survey directly to you for review as their tight time schedule does not permit them to wait. Therefore, please find enclosed ATCS' answers to the survey for your review.

Our sincere apologies for exceeding the deadline. We remain at your disposal would you need additional information. Thank you very much for your time and consideration.

Kind regards,

5.1.2e
