SUBJECT: Fact Sheets

After the last Issues Management meeting, we made additional changes to the one-page fact sheets, which you will find reflected in the attached copies.

Until we have new information, these are approved versions. If you would like additional copies, let me know.

One additional fact sheet, "Safeguarding Worker and Community Health," awaits the latest update on angiosarcoma mortality data from Europe. Once that information arrives, I will forward the last of these six fact sheets to you.
