Dear Mr. Soulet,

Thank you for your letter of 7 October regarding recent changes to the REACH Regulation. The issues you raise in your letter are highly important, and we agree that businesses play a key role in reaching the objectives of the Paris Agreement and the European Green Deal.

REACH falls under the responsibility of the Ministry for Climate and Environment, and consequently they will be able to discuss these matters with you in more detail. They will also be able to answer any further questions you may have in relation to this.

You can contact Senior Adviser Mrs. Heidi Morka ([REDACTED]@kld.dep.no) in The Department for Marine Management and Pollution Control. She will follow up your request for a meeting.

Yours sincerely
