Hi Nick,

Absolutely, how does tomorrow afternoon look? We just have a markup tomorrow until roughly 2 PM that will be taking place in the hearing room.

Best,

Hi Hannah and Nick,

We are looking forward to Secretary Duffy's testimony at our upcoming hearing. You all are most welcome to use our staff director's office or Chairman Graves' committee office prior to and during the hearing as a holding space. Our staff director's office is connected to the hearing room and would definitely be a more private way for the Secretary to go to and from the hearing room. The Chairman's office is one floor directly above the hearing room, but I would say it's larger and more comfortable than our staff director's office. Hannah knows the space well, but Nick please just let me know if you'd like to come by for a walkthrough of the spaces anytime. We'll be sure to have breakfast and coffee for the Secretary and you all and if there's anything specific he'd like just let me know.

Best,
Tyler Micheletti
