LOS ANGELES UNIFIED SCHOOL DISTRICT, Plaintiff, vs. OWENS-CORNING FIBERGLAS, et al., Defendants.	CASE NO. C 440 317 INTERROGATORIES PROPOUNDED AND SERVED CONCURRENTLY WITH REQUESTS FOR ADMISSION TO ALL DEFENDANTS

TO DEFENDANT, KAISER GYPSUM COMPANY, INC.,

These interrogatories are being served on each and every defendant herein.

Plaintiff requests that you answer the following interrogatories pursuant to Section 2030 of the California Code of Civil Procedure within thirty (30) days of service thereof.

GENERAL PROVISIONS

These interrogatories ask not only for your knowledge and the contents of your own books and records, but also knowlege

of all other persons with whom inquiry may reasonably have been made from the contents of books and records available to you for examination. Your answers to these interrogatories should be based on all the aforementioned sources.

If, following your exercise of due diligence to answer any interrogatory, you are still unable to provide the information requested, please state in detail:

(a) your answer to the fullest extent possible;

(b) why you are unable to answer more fully;

(c) what efforts you have made to answer fully;

(d) the anticipated date of your completion of said investigation and discovery necessary to answer fully.

When an interrogatory asks you to identify a writing, you may, in lieu of answering that interrogatory, attach a copy of that writing with a statement in answer to the interrogatory that such copy is attached and such copy is a true copy of the original of the writing.

If you refuse to voluntarily attach a copy of that writing, then identify each such writing in detail so that it may be produced by you in response to plaintiff's Notice to Produce, or other discovery device.

<u>If objections to these interrogatories are not filed within thirty (30) days, as provided in Code of Civil Procedure, Section 2030, said objections will be waived.</u>
