Hi Chantale,
Emily Sharp is a good friend and fellow OMB alum, now working
for the Minority on Senate appropriations on the financial services

subcommittee. She has an opportunity to move to the UK for her husband's job for 2-3 years, but also has an opportunity for advancement on this side of the pond. Can you please give her some advice, based on your Clinton/Obama appointee experience and international financial institutions background? She'd make a great OMB PAD for a future democratic President, although hopefully not too soon.

Emily, Chantale is a good friend. We go back together to the Environment Branch in 1990 or so, and like you, she is a good democrat. She is also a past master at effective networking.

Thanks,

Scott
