About Asbestos Disease Awareness Organization

Asbestos Disease Awareness Organization (ADAO) was founded by asbestos victims and their families in 2004. ADAO seeks to give asbestos victims and concerned citizens a united voice to raise public awareness about the dangers of asbestos exposure. ADAO is an independent global organization dedicated to preventing asbestos-related diseases through education, advocacy and community. ADAO's mission includes supporting global advocacy and advancing asbestos awareness, prevention, early detection, treatment, and resources for asbestos-related disease. ADAO Science Advisory Board is under the leadership of Dr. Arthur Frank and Dr. Richard Lemen.

Asbestos Disease Awareness Organization is a registered 501(c) (3) nonprofit organization

"United for Asbestos Disease Awareness, Education, Advocacy, Community Support"
