Dr. C. E. Winslow,
Yale Medical School,
New Haven, Conn.

Dear Dr. Winslow:

I have yours of the 8th with draft of article for publication in the National Safety News.

I am taking the liberty of sending a copy of it to the Superintendent of the General Electric Foundries in Lynn, Mass., as he has been very active in safety work for many years and took considerable interest in the draft of the original Sand Blast Report.

Yours very truly
