Tracy,
I'd be happy to meet with you and the Courtland Group. I am copying Michelle, who manages my schedule.

Downey I'm hoping I have your new email right and that this message gets to you. I also hope you are getting settled in and are enjoying your new gig with Interior. What office are you with over there anyway?

I have a question for you as well. I help represent a client from California, The Courtland Group, that has some concerns with a project called the California "WaterFix." The head of the Courtland Group is coming to DC in a couple of weeks and I was hoping to find someone at DOI to meet with. We've met with some career folks in the past, but think it might be helpful to introduce this issue to a political person in the new Administration this time around. This is generally a Bureau of Reclamation issue if that helps with who it might be best to meet with.

Any guidance you can provide would be extremely helpful and it will be great to hear from you. Thanks!
