FROM: T. P. Feit SUBJECT: MONOKOTE Formulation
cc: S. A. Magnacca/Zono-Scarborough

Dear Bob:

- (1) MK3: Your October 10 correspondence to Drew Webster cancels MK3.
- (2) MK5: Alan Magnacca tells me that F. Hyde has never officially received the MK5 formula. Please provide Webster with same.
- (3) MK4: Vining's letter of October 20 requests that F. Hyde cease making "old" MK4. If Webster agrees, we plan to send him the MK4 C/B formula. Do not, however, send the MK4 C/B formula until I let you know.
