Would 2:00pm on Friday work for Mr. Pimentel?

In any event, what about this: Armando Pimentel, who is the CEO of NextEra Energy Resources (NEER), is Thursday (except from 11:00 to 12:00) and available up until 3:00 on Friday (he's getting on a plane), so he could do the call with the Secretary if that's okay with you all? NEER is one of two principal subsidiaries of NextEra Energy the other is Florida Power & Light. So, the CEO's of those two companies are our number 2's. Mountain Valley Pipeline is under NEER.

I'm so sorry. The Secretary is leaving for personal vacation Friday evening and will be without cell service himself on Monday.

Hi Kathleen,

I am working on fitting this into the Secretary's schedule. It is definitely going to have to be Thursday or Friday. Most likely Friday. Once I have a time I will get back to you.

Thanks,
