Dear Sirs,

This will acknowledge, with thanks, receipt of your letter of the 6th November regarding the appointment of Dr. Hammacher and Dr. de Priester. We have already passed a copy of your letter on to our Chief Medical Consultant with a request that he writes direct to both these gentlemen, explaining in detail the work which they have to undertake, and also the potential hazards which are involved in handling Ethyl Fluid.

Yours truly,

*H. Fossett*
