Mr. Fred Gardner, Chief
Cork-Asbestos Branch
War Production Board
Washington, D. C.

Dear Mr. Gardner:

You will be interested to hear, I think, that Raw Asbestos Distributors, Ltd. have written us under date of March 6, to state that they have received advice from the mines in Rhodesia indicating that the samples called for by our purchase contract have now been selected and are being forwarded to us by parcel post.

When these samples are received you will be advised.

Sincerely yours,

S. D. Strauss
Assistant Vice President
