ANNOUNCEMENT

Effective June 12, 1972, Mr. Harry R. Horton will return to his former position as Quality Control Laboratory Supervisor in the Burlington Resin Plant.

Effective the same date, Mr. Earl L. Kanyok will join the Analytical Control Group to work on non-routine laboratory testing assignments.

Both of these men will report to Mr. Fred W. Kanzler, Burlington Quality Control Group Leader.

Your continued cooperation to both Harry and Earl in these assignments will be appreciated.
