Hi Wayne,  
I haven't forgotten you.

I read through the letters you sent. The letters refer to the (b) (7)(A) [REDACTED]. Could you send a copy of each for me to read?

Jim

For what its worth, I am pleased to see that both you and David are at DOI as you both bring a lot of experience to your positions. From my past experience with the two of you, I am confident we share similar political ideologies. I have attached a series of correspondence written to the Attorney General over the past several months regarding (b) (7)(A) [REDACTED]. I won't restate all that is in the attached letters, but hope you will take the time to read them. I am bringing this to your attention because the BIA, Division of Drug Enforcement, along with the DEA and DOJ, is currently investigating the matter and I am hopeful that you would support their efforts to close this (b) (7)(A) [REDACTED]. If after reading the attached letters you have any questions feel free to contact me. Once again, my best to you and David and don't let the press and pundits get you down!
