Mr. Metcalf,

It has come to my attention that Deborah Taussig from Trine & Metcalf, P.C. Attorneys at Law, showed up at the Zuni Station requesting to pick up asbestos records. I think there was a disconnect somewhere and I thought it was understood that the information would not be available on June 30th and we would provide the information as soon as it was located. I'm in the process of having the information you requested copied and it will be sent to you as soon we receive it. Please give me a call if you have any questions.
