Thank you very much, Mandy. I assume you mean the week of May 8th, not March 8th. I will check with the Coalition members to confirm their availability and will get back to you soon.

Hi Krista,

The Administrator's scheduler forwarded me your meeting request to take on his behalf. I'm his Senior Policy Adviser for the Office of Air and Radiation and accordingly am the point person for all issues related to the RFS. I'm familiar with the Small Refiners Coalition and would be happy to discuss the RFS program with your members. I'm flexible the week of March 8th. Please let me know if any of those days would work for your members.

Thank you for the outreach and I look forward to hearing from you soon.

Best,

Mandy
