Good afternoon,

I will be your point of contact (Cheryl Woodward) for logistics. Send me you list of attendee's (first and last name); bring valid U.S. identification and suggest to have the least amount of personal item. Below are the instructions/directions to your meeting. Please contact if you have any questions or concerns.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, between Constitution Ave and Pennsylvania Ave. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the South Lobby of the William Jefferson Clinton building.

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

That's great! Looping in Cheryl who will help you with that information. She will need a list of who is attending so that she can provide it to security before you arrival.

Looking forward to having you all with us!

Best,

Sydney

That will work for us! We are looking forward to it. What is the address of the building we need to come to?

Hi Kass,

Thank you for completing the form. Looking at the date and time you suggested, we likely couldn't do 9:30 but we could do 10:45-11:15 if that is possible for you all. Kindly let me know and we can move forward on scheduling.

Thank you!

Sydney,

I got your email from Crystal. She said to shoot you an email about our upcoming trip to DC. We will be bringing the OK Ag Leadership Encounter. It is a group of 12 college Juniors and Seniors in the OSU College of Agriculture. The group spends the year learning about agriculture in Oklahoma and in April we always go to DC to learn Federal policy. We were hoping we could swing by EPA and meet with Administrator Pruitt for a brief period. We are coming to town April 2nd -4th and were hoping we could swing by EPA on Monday April 3 somewhere in the time period of 9am -12 pm. Clearly his schedule is far busier and more important than ours and we will make anytime he is available work. I have copied Kass Pfeiffer on this email as she is organizing the trip on our end. Thanks for your help on this and hopefully it can work out.

Thanks!
