To Whom It May Concern:

Enclosed are confidential lists of closed and pending talc cases in which Windsor Talc Company is, or was, a defendant. The list was provided to us by Johnson & Johnson, which owns Windsor Talc Company. We have been informed by John O'Shaughnessy, of Johnson & Johnson, that Windsor Talc Company did not sell any talc to the rubber or tire industries to which the plaintiffs in these actions could have been exposed in their employment, and that Windsor Talc Company is seeking to be dismissed as a defendant in these actions, as it has been dismissed in similar actions.

Very truly yours,
