

Ed Clarence B. Wigley (above), 32, of Wichita Falls, Tex., **ABOLISH** from Travis Air Force Base, Fairfield, Calif., since last January, has been making his temporary home in the belfry of the Seventh Day Adventist Church in Vallejo, Calif. Police picked him up on suspicion of listening about the premises. The pastor, the Rev. J. J. Dullinger, said he had been hearing strange noises "like somebody walking," from the belfry for months. Officers at the Air Force base said Wigley faces court martial for desertion.

Warden Classes To Be Held in P. G.

New classes for Civil Defense block wardens will be held in Pacific Grove from July 7-Aug. 4, and from Sept. 15-Oct. 13, it was announced today by Chief Warden Leslie W. Masters. John W. Nicoll, adult school principal and assistant chief warden, is conducting the classes.

Residents are urged to enroll for warden service. Masters pointed out, because outlying areas will be called upon to assist in the event of war or other disasters, even though they are centered in metropolitan districts.

Registration may be made at Masters' office in Pacific Grove City Hall, at the high school, or at some of the district warden offices. Classes are now meeting Mondays at 7:30 p. m. in the high school. Instruction is free and trainees receive credit for sessions attended.

Another film included in the program will be "Wings to Finland", produced by the Pan American Airways, a sound and color picture showing the beauties of the Finnish lake country, the island-dotted coast, and the gleaming, modern city of Helsinki. It also tells something of the Olympic Games to be held this summer in Finland.

Val Hempel, director of the Romance-Germanic division at the Army Language School, will serve as moderator at the May 12 Scandinavian Film Forum. The speakers will be introduced by Worthington Holiday, leader of the Scandinavian study group of the World Affairs Council.

No admission charge will be made, and the public is invited to attend.

Posthumous Award Given Maj. Magee

Posthumous award of the Silver Star Medal has been made to Maj. Byron D. Magee, son of Dr. and Mrs. Chester L. Magee of Carmel and brother of Dr. Thomas Magee of Monterey.

The award was made for gallantry in action on Aug. 22, 1950, near Taegu, Korea. The citation reads:

"When the battalion command post was subjected to an intense enemy attack, Maj. Magee was in charge of the command post directing the firing missions of the battalion. When the enemy fire began falling near the command post it was apparent that it was the target. 'Maj. Magee, however, refusing to leave his post, continued to direct the operation of the battalion until the command post received two direct hits. Maj. Magee was killed instantly. His great courage and conspicuous devotion to duty was an inspiration to the officers and men of the battalion."

Maj. Magee, his wife and two children, Elizabeth and Peter, formerly lived on the Mesa in Carmel. His family now make their home with Mrs. Magee's parents in Oklahoma.

Newsman Gather In Brussels To Chart New Organization

BRUSSELS, Belgium (AP)—Newsman from 17 non-Communist countries assigned committees today to chart a free International Federation of Journalists.

It will take the place of the International Organization of Journalists, which non-Communists abandoned in 1949 after a losing fight to keep it out of Red control.

Countries represented at the organizing meeting of the new federation are the United States, Britain, France, Germany, Belgium, Denmark, Japan, Norway, The Netherlands, Sweden, Switzerland, Cuba, Austria, The Saar, Canada, Greece and Mexico.

Harry Myrlin, of Memphis, Tenn., president of the American Newspaper Guild, was elected general secretary of the Federation organizers and made yesterday's keynote speech.

He said the conference was "deliberately and thoughtfully restricted" to parts of the world where a free press survives and where free newsmen have the right to organize for "advancement of the twin causes of professional liberty and individual welfare."

Plane Hits Horse; Lands Safely with Passengers

HERMOSILLO, Mex. (UP)—This is a story of an airplane accident with a happy ending—for the passengers and crew, that is. A Mexican DC-3 airliner struck a horse on takeoff yesterday but the pilot brought his damaged plane back to the airfield without even jarring a passenger. Old Dobbin was killed.

SAN FRANCISCO (AP)—Disbarred Attorney Archer Zamloch has until May 26 to petition the U.S. Supreme Court to reconsider granting him a hearing on his August, 1950, bribery-conspiracy conviction.

The high court yesterday denied Zamloch a review of the case. Federal Judge Louis E. Goodman immediately postponed Zamloch's three-year prison sentence to permit him to ask a rehearing.
