

FILE NAME: National Safety Council (NSC)

DATE: 1934 July 12

DOC#: NSC330

DOCUMENT DESCRIPTION: Letter to Johns-Manville

July 12, 1934.

Johns-Manville Co.,
22 East 40th St.
New York City, N.Y.

Mr. C. H. Hall, Ass't. Manager
Insulation Department.

Gentlemen:

Your letter of July eleventh addressed to Mr. Burgstresser has been passed on to the writer during his absence and we are pleased to advise that we have licensed the Carey Company, Johns-Manville Company and the Ball Mountain Company to manufacture our flexible jacket.

This matter will be taken up with the Rubberoid Company and Keasbey & Mattison Company at an early date.

We trust this information will serve your purpose.

Yours very truly,

/K
