

1 inhalable.

2 MR. IGNATOWSKI: The next, Your Honor, is
3 document Number 188. It is a letter dated November
4 21, 1944 from Director of Research, U.E. Bowes to Dr.
5 Leroy U. Gardner. It is on Owens-Illinois Glass
6 Company letterhead.

7 THE COURT: It will be admitted in
8 evidence.

9 (Whereupon, Plaintiffs' Exhibit Number 188
10 was received into evidence.)

11 MR. IGNATOWSKI: Mr. Hirth and I enjoyed
12 very much our discussion with you at Pittsburgh, and
13 we will assume that you will proceed with whatever
14 investigations are necessary to establish the degree
15 to which the material we are manufacturing at Berlin,
16 New Jersey, constitutes a hazard either to employees
17 engaged in the manufacture of it or to others in the
18 use or installation of it.

19 Regarding the latter phase, we assume that
20 it will be necessary for us to make certain tests
21 while the material is being sawed or otherwise handled
