SUBJECT: Martin Varnish Co.

ANSWERING LETTER OF

Dictated by

File
OCT 13 1917

You will find attached, statements showing Trading Account, Profit & Loss and Balance Sheet for the Martin Varnish Co. The same remarks in regard to comparisons as made on the Martin-Senour Companies, will apply to the Martin Varnish Co.

✓ * You will note that I have carried a charge of \$11.00 to Profit & Loss covering Employees Accidents. It may be that this item should be carried over into the new year's accounts as an asset but as I am not familiar with the account, decided to include it in the Profit & Loss Statement.

After you have had an opportunity to check these statements over with the officials of the Martin Varnish Co., I will be very glad to make up corrected statements on a comparative basis, provided they can furnish the necessary figures for last year.

Yours very truly,

W. A. Gossell

Auditor of General Accounts.
