

ETHYL GASOLINE CORPORATION

CHRYSLER BUILDING
135 EAST 42ND STREET

NEW YORK May 11, 1932.

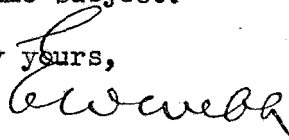

Dr. Robert A. Kehoe,
College of Medicine,
Eden & Bethesda Aves.,
Cincinnati, Ohio.

Dear Dr. Kehoe:

When I arrived at the office yesterday I tried to get Sam Wagner on the telephone but I was unable to do so as he was in San Diego where the retired naval officer died, but I left certain information regarding a lethal dose of tetraethyl lead at our Los Angeles office for transmission to Wagner.

Enclosed is copy of a letter I am writing to Wagner today on the same subject.

Very truly yours,

A:H
