Subject: RE: ACTION NEEDED: Forest Service Additional Documents for the Agency Request for 2019 Budget

Also, I was looking for someone to day to provide clarification on the Efficiencies in Infrastructure Delivery proposal. The proposal doesn't actually recommend a reform action, it recommends evaluation. I submitted it as is so we may be okay but heads up that there may be some questions about it.

Lamont, Glenn, and Jeannie,

All the FS proposals were approved by the Chief and have been forwarded to NRE for review and approval. The proposals are due to OBPA by 4pm Monday. During the Chief's review, he asked

Can you either clarify why this proposal wasn't included? If it should be included please prepare the write-up and send it to me by 10am Monday so I can route it through the Chief and NRE in time to catch up with the other pieces of the FY19 Agency Request package.

Thanks,

(b)(5); Deliberative Process
