Dr. Elmer P. Wheeler
Medical Department
Monsanto Chemical Company
800 N. Lindbergh Blvd.
St Louis 66, Missouri

Dear Dr. Wheeler:

Enclosed please find three copies each of our reports entitled "Subacute Dermal Toxicity of Aroclor 1254" and "Subacute Dermal Toxicity of Aroclor 1268". These reports are dated March 29 and March 28, 1963, respectively.

It has been a pleasure to work with you on these studies.

Sincerely,

J. C. Calandra
Director
