Hi Peter,

Yes, confirming the meeting will be in person, below and attached are directions to EPA.

We are located on the 3rd floor of the William Jefferson Clinton North Building. The William Jefferson Clinton North Building is part of the EPA Headquarters complex located on 12th Street, NW between Constitution and Pennsylvania Avenues. The entrance to the building is located directly above the Federal Triangle Metro Station (on the Blue, Orange and Silver lines - if you are taking the metro).

Upon entering the building, you will be asked to provide a photo ID* and to pass through the metal detector for security purposes. We will be sure to have a member of staff meet you and escort you upstairs for the meeting.

Thanks.

Sharnett (and Eric)

The invitation that was sent to Lamar and me is a Microsoft Teams meeting, but we assumed we were doing this in person since you wanted our names to clear us through security. Can you confirm that it's an in-person meeting.

Thanks.

Peter

Perfect. Thanks.

By the way, Eric, who should we call (and on what number) for escort when we arrive at the building.
