My apologies, I thought it was in Bacon's district. That would be great if you could reach out.

I think it would be good to reach out to the other two, especially Cong Fortenberry since the meeting is in his district. Would you like us to reach out?

Matt—looking forward to Friday's event with the Governor. Please see the note below—Congressman Bacon can attend the event. Is there someone on your staff who could reach out to Christina on the Congressman's staff?

Troy,

Congressman Bacon can attend the Nebraska event. They are wondering if there is a particular place they should park and enter the residence? Additionally, I assume the staffer who handles environmental issues attending won't be a problem?

Thanks,

Christian,

Congressman Bacon will be able to attend. Our Deputy District Director who handles environmental issues, James Wright, will be accompanying the Congressman. Can you let me know if there's a particular place they should park and enter the residence?

Respectfully,

Christina
