Attendees	MCGUINNESS Sharon VAN DER ZANDT Peter BUCHLER Frank 'ilka.woelfle@dsv-europa.de' [REDACTED]
Meeting Date	20/06/2024, 11:30:00
Location	Microsoft Teams Meeting

Notes

The meeting served introductory purposes.

DSV, representing German insurance companies including health, accident, and pension insurances, expressed their general interest in becoming a stakeholder. They also indicated specific interests in the REACH revisions, PFAS, OSH/OEL legislation legislation.

ECHA participants clarified the status of the proceedings and explained the respective roles and responsibilities of ECHA, the Commission, and Member States in areas of particular interest to DSV. Additionally, information was provided on the ASO scheme and open consultations.

Regarding Occupational Exposure Limits (OELs), DSV confirmed that their experts are willing to provide expertise and data through the appropriate channels to inform the scientific and technical opinions at ECHA's level.
