Hi Travis,

First, I just wanted to thank you and your colleagues for taking the time to meet with us last week. It was great to catch up and discuss the various issues facing the animal agriculture industry. Believe it or not, there are many other EPA facing issues that we did not touch on during our meeting, such as pesticides, biofuels, etc. I just wanted to elevate this request, as I know President Duvall would greatly appreciate the opportunity to visit with Administrator Zeldin. Please let me if we can make that happen. Thanks for your consideration of this request.

Best,
Courtney

Hi Travis -

Please see the attached letter from AFBF President Zippy Duvall to Administrator Zeldin. I've copied Courtney Briggs as our primary point of contact.

Thanks!
