University of Cincinnati
Cincinnati 19, Ohio

Dear Dr. Kehoe:

Confirming our telephone conversation yesterday, we would like to invite you and Dr. Horton to attend a conference with Dr. Rhoads and some of his associates in New York on March 12 for the purpose of reviewing the present status of information concerning atmospheric pollution and possible relationships with lung cancer in Man.

The meeting will be held in Dr. Rhoads' office at the Sloan-Kettering Institute, 410 E. 68th Street, New York City, at 9 a.m. I sincerely hope that both you and Dr. Horton will be able to attend.

Yours very truly,

J. M. Campbell
Technical Director
