Assured at a Glance

IN purchasing lead pipe look for the National Lead Company's name and the Dutch Boy trade-mark, stamped into the metal. In this way you make sure of getting lead pipe of dependable quality. This marking is also a guarantee of proper wall thickness and correct weight per foot.

Lead pipe plumbing has long been known as the best possible plumbing. Now with this trade-marked pipe you can be surer than ever of doing work that will always be satisfactory.

Dutch Boy Solder

When you buy Dutch Boy Solder you can be certain of getting the same composition each time. Every bar you get is numbered to denote its grade. There is a grade for every soldering purpose, and the right one.

The Only Way

There is but one rule of conduct for a man—to do the right thing. The courtly [illegible] influence, the labor of [illegible] prolonged and painful sacrifice. But the cost not to do right is far more dear, for you pay in the integrity of your manhood, in character, in honor and in truth. You forfeit your self-respect and for a time, at least, you [illegible]
