

Ends messy stirring or thinning. New LUCITE Wall Paint comes ready to use, right from the can. Speeds the job by covering a bigger area with fewer stoops and dips. Dries in thirty minutes. And it's completely washable.

Doesn't drip like regular paint. LUCITE clings to brush or roller, but spreads smoothly and evenly on walls and ceilings. Doesn't run down handle, even when you do the ceiling, because it's extra-thick. Keeps you neat.

Quick, easy clean-up. Brushes, rollers, roller pan all rinse clean fast with plain soap and water. Wipe up any spills with a damp rag. LUCITE conceals hairline cracks and surface flaws beneath a beautiful, flat, even finish.

DUCO® for kitchen, bathrooms, woodwork. DUCO Satin Sheen Enamel comes in a full range of matching LUCITE colors. Try both LUCITE and DUCO. They're at your local paint dealer's now, in 22 smart, modern colors and white.
