INDIVIDUALS CONTACTED (SHOW TITLES): Mr. Ludwig, Manager

REVIEW OF DISCUSSION (ATTACH REPORT IF MORE SPACE NEEDED):

Mr. Ludwig informed me that Virginia Packaging Co. does not use vermiculite
themselves, the small amount of vermiculite that is produced from us has been
for resale. Mr. Ludwig was not familiar with who they had sold the vermiculite
to. Mr. Ludwig will discuss it with their sales department and determine where
the vermiculite went and what it was used for, and will let me know. (The sales
Manager was not in the office, so I could not determine this today).
