Mandy:

Thank you so much for agreeing to Keynote A&WMA's Conference on Climate Change. The Conference is scheduled for Oct 10-11, 2017 in Arlington, VA and promises to be a great opportunity to exchange meaningful information on the current thinking relative to climate change and how we can mitigate any adverse effects and adapt to the potential consequences. The Association values EPA's thinking and is excited to provide the forum for discussion to our membership and other parties involved in the discussion.

Bill Wehrum said that you planned to check with Administrator Pruitt one last time to see if he was available to Keynote and it would be great if he wanted to speak. However, our intent at this time is to list you in the Program at the Keynote and then to send out a special mailing/notice announcing Administrator Pruitt as the Keynote should he decide to speak.

Cindy Fontanesi from A&WMA Headquarters in Pittsburgh will be in touch with you today to work out the details.

Again, thank you so much for agreeing to speak at our upcoming Conference.
