JOB NO.: 6406

SUBJECT: Engineering Services For General Planning For the Middletown Plant
Daily Progress Report No. 33

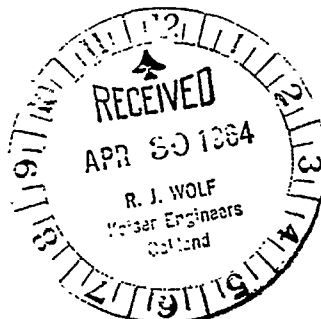

Present On April 27, 1964:

13 Engineers
2 Secretaries

Progress:

1. Earl Denner and Frank Kast attended the Hot Strip Mill session of the AISE in Cincinnati.
2. Reviewed the progress and masterplanning definition report with Mike Janner. This is an in-progress type of report that will be completed by Wednesday and presented to Armco Division and Middletown Works management on Thursday, April 30. Copies will be sent to Oakland.
3. Leo Ellis is in Oakland preparing the order of magnitude cost estimates for the six suggested electrical distribution systems. This is at Armco's request since we had only planned to estimate the recommended scheme and the one suggested by Armco.
4. Dick Hart is attempting to complete his utilities report by Thursday so that he can review it with Armco prior to returning to Oakland.
