Dear Secretary Bernhardt,

Thank you for taking the time last week to meet with me and my industry colleagues at the White House with the President.

Your deep understanding of the policy issues confronting the industry is much appreciated. It has been said many times before, but we face unprecedented challenges and the combined hit of over-supply through irrational market actors and the demand destruction caused by COVID-19 make for a unique set of circumstances. You have assembled a great team at DOI and we stand ready to help.

Please contact me directly or our Vice President of Government Affairs, Karen Knutson, at (202) 408-5858 if you or your staff have any questions or if we can be of assistance.

Sincerely,

A handwritten signature in blue ink that reads "Mike".
